**Seven skills that are fun to learn and a blast to use:**

- What kind of music does your congregation REALLY like?
  - We'll show you a QUICK, easy way to find out.
  - You'll have an instant FAN CLUB!
- Don't know what stops to use for different types of music and hymns?
  - We'll make registration sound easy!
  - You'll make it sound good!
- Save money on your music bills!
  - Easily construct your own prelude, postlude, offertory, and prayer response with music already at your fingertips.
- Use your piano technique to quickly play and sound good until you feel more comfortable using the pedals.
- How can I make my small choir sound bigger than they really are?
- What do I have to do differently when I play with guitars, drums, and other instruments in our Praise Team?
- I want to use the orchestral sounds on my instrument, but am not quite sure when and how to best use them.
  - If you have them, don't be afraid to use them.
  - Thinking orchestrally.
